CLERK: Mr. President, a new resolution offered by Senators Barrett, Clark, Remmers, Lundy, Kahle, Warner, Lamb, Rod Johnson, VonMinden, Hefner, Hannibal, Chronister, Richard Peterson, Lowell Johnson and Howard Peterson. (Read LR 34 as found on pages 670-672 of the Legislative Journal.) That will be laid over, Mr. President.

PRESIDENT: Resolution to be laid over. Further matters on the desk?

CLERK: No.

PRESIDENT: All right, now then the Chair recognizes the Chairman of the Appropriations Committee, Senator Warner.

SENATOR WARNER: Mr. President and members of the Legislature, you have been passed out a three-page summary of a number of bills that we are proposing to introduce. The purpose of the introduction of the bills, of course, is to make it possible for the Legislature to consider adjustments in existing law that have an impact on the level of appropriations, and in order to provide an opportunity for public hearing and public input on any of these or all of them, we need the legislation introduced. I would be glad to go through each of them specifically if you like. One of the bills requests adjust fees that were not adjusted last year. I can go through that in detail if you like. But, or otherwise if there isn't a question on them specifically, I will just move that the bills be introduced.
